CARE, CLEANING, STORAGE & USE TIPS

Cleaning Your Clear Stamp:

1. Wash with warm soapy water.
Pat dry on a paper towel.
2. Use baby wipes (alcohol-free, no lotions or aloe vera).
Pat on baby wipe, then dry on a paper towel.
3. Ultra Clean Stamp Cleaner.
Spray on a paper towel.
Pat on a paper towel, then dry on a paper towel.

Storing Your Clear Stamp:

Store your Clear Stamp in a dust-free container away from sunlight or fluorescent lighting.

If your Clear Stamp is falling off:

If your stamp loses the stickiness, wash with warm soapy water. This will remove any buildup and restore the stamp to original sticky condition.

Types of Ink:

Clear Stamps are not recommended for use with solvent based inks.

Solvent ink will damage your stamp.

Some inks may stain the stamp die even after cleaning. This will not affect the performance.
